

Bancroft Middle School New Student Activities Preparing for the 2010-2011 school year

To assure a smooth transition to middle school, Bancroft Middle School offers the following opportunities to our incoming students and their families:

- Bancroft Middle School counselors host our four feeder schools in the early spring, providing general information about the school, the academic program, and student led campus tours. Entire 5th grade classes are welcomed along with their teachers and parent chaperones. These dates are arranged by the 5th grade teachers and the middle school counselor and usually take place in April.
- Parent Information Night offered to all incoming parents:
February 11, 2010 at 6:30 p.m. in the School Gymnasium
Adults Only Please
- New Student Orientation in August, just before school starts – feeder schools will be notified of the specific date once the district calendar and start date for 2010-2011 school year is established.

In addition, parents and their students are invited to visit Bancroft Middle School for small group tours during February/March. Groups are usually between 10-15 people.

Tour dates: February 2, February 9, February 23 and March 2
Tours will be from 12:45 – 1:45 p.m.

Students must be accompanied by parent/guardian.
No drop in tours will be provided. Families must reserve in advance.
Please call Isabelle Rodrigues at (510) 618-4380 x3660 to reserve a space.
